**Todd:** So, Meg, are you busy? Do you have a busy week?

**Meg:** Yes. I usually have a busy week.

**Todd:** Yeah, me too. So what day is your busiest day?

**Meg:** My busiest day is Thursday.

**Todd:** Why?

**Meg:** On Thursday, I have to work from early in the morning until around 6:00 p.m. I have to teach classes. And then after that, I need to do my shopping at the supermarket.

**Todd:** Okay. I do my shopping on Saturday.

**Meg:** Oh, really?

**Todd:** Yeah, always on Saturday.

**Meg:** What else do you do on Saturday?

**Todd:** On Saturday, I do all my boring activities.

**Meg:** Like what?

**Todd:** I do my shopping. I do my laundry. I run errands. I clean my apartment. I do boring stuff because on Sunday, I like to have fun.

**Meg:** What do you like to do on Sunday?

**Todd:** On Sunday, I often go hiking, or I go to the park, or I go to the beach. I go to the beach almost every Sunday.

**Meg:** Wow, that sounds really fun.

**Todd:** Yeah, the beach is beautiful. Nobody is there. It's really nice.

**Meg:** Yeah, it sounds great.

**Todd:** How about you? What do you do on Sunday?

**Meg:** On Sunday, I always go to church in the morning, and sometimes I'll have lunch with friends after church.

**Todd:** Oh, cool.

**Meg:** And then I usually clean as well. Sunday evening before the new week starts.

**Todd:** Now, do you work Monday through Friday?

**Meg:** Yes, I work every weekday. What about you?

**Todd:** I work Monday, Tuesday, Thursday, Friday. I don't work Wednesday.

**Meg:** Oh, what's your schedule like on Wednesdays?

**Todd:** On Wednesdays, I usually stay at home, and I relax. Sometimes, I go shopping. Sometimes, I go to the park. Sometimes, I prepare lessons because I'm a teacher.

**Meg:** So, sometimes you do a little work on Wednesdays?

**Todd:** Yes, but I do work at my house.

**Meg:** Oh, right.

**Todd:** I never go to school on Wednesday.

**Meg:** Why not?

**Todd:** Because it's a day off. So, how about Monday? Are you busy on Monday?

**Meg:** I'm usually busy on Monday because my schedule is similar to Thursday, so I have to teach class until around 6:00 p.m.

**Todd:** Yeah, Mondays are busy for me too. Mondays are busy. Thursdays also are busy. Tuesday and Friday are not so busy.

**Meg:** Your schedule sounds a little similar to mine.

**Todd:** Yeah. Well, we're both teachers.

**Meg:** That's true.

**Todd:** What about activities? Do you do any activities during the week?

**Meg:** During the week, if I have free time, sometimes I will watch a TV show, or a movie and I also go to Japanese language class.

**Todd:** Oh, nice.

**Meg:** Yeah, so sometimes I have homework, so I have to do my Japanese language homework some nights. What about you?

**Todd:** I play futsal on Tuesday nights. So every Tuesday, I play futsal with my friends for two hours and that's fun. And then, sometimes on Friday, I meet my friends for dinner.

**Meg:** That sounds good.

**Todd:** And I also like sports, so I usually watch sports on TV on Monday.

**Meg:** What sports do you usually watch on Monday?

**Todd:** I watch everything. I watch baseball, I watch basketball, I watch American football, and I watch soccer. So, I come home, and I watch a video of a game from Saturday or Sunday. So I don't watch sports on Saturday or Sunday. I watch the video later, on Monday night.

**Meg:** Is it better that way?

**Todd:** Yeah, usually. I don't check the internet, so I don't know the score.

**Meg:** Well, it sounds like you have a busy schedule.

**Todd:** You too.
